REALLY GOOD

**PINOT NOIR**

2006 OREGON

*“Peripatetic Pinot producer Joe Dobbles has pulled off a real coup with this remarkable wine. For under a Jackson, you get elegant and balanced cherry and raspberry fruit flavors with the added bonus--usually absent in wines at this price—of layers of cola, tealeaf, and dried autumn leaves. I tried multiple bottles to be sure the first one I had wasn’t a fluke. It wasn’t.”*
