REALLY GOOD

PINOT NOIR

2006 OREGON

“Looking to take the stuffiness out of your Oregon Pinot? This would do it, thanks to its cute little cartoon label and unpretentious pricing. On top of that, it’s darned tasty. This opens with aromas of bright cherries, white pepper, vanilla, olives and raspberries, followed by flavors of bright red fruit. Its bright acidity and racy tannins provide near-perfect balance for a wine made in a fresh style. Yeah, it’s really, really good..”
