“RECOMMENDED”

2006 Wine By Joe Jose’s Rose’

“Fun and unpretentious is what this wine is about, starting with the humorous play on Joe Dobbles’ name. And he doesn’t ruin his reputation with the blend of Pinot Blanc, Pinot Noir, Pinot Gris and even some Syrah, resulting in a drink full of strawberries, raspberries and even some grapefruit tartness. It’s strawberry though that hangs on for the full ride.”
